Project ID: 690100000000021 **Project Name:** IV-E Foster Care Reimb **Project Category:** Health and Human Services **Sub Class:** 860W5

Project Abstract: The Child and Family Services Division is mandated by both state and federal laws to provide protective services to children who are abused, neglected, or abandoned. This includes receiving and investigating reports of child abuse and neglect and helping families stay together or reunite, and finding placements in foster or kinship homes. ARRA funding will result in a higher federal contribution for these services.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 350100000012 **Project Name:** ARRA Title I Part A **Project Category:** Education **Sub Class:** 160W2

Project Abstract: The American Recovery and Reinvestment Act of 2009 (ARRA) provides $10 B nationally in additional FY 2009 Title I, Pt A funds for schools that have high concentrations of students from families that live in poverty in order to help improve teaching and learning for students most at risk of failing to meet state academic achievement standards. The funds create an unprecedented opportunity for educators to implement innovative strategies in Title I schools that improve education for at-risk students and close achievement gaps while stimulating the economy. Montana's allocation $34.65 M.

Public Health and Human Services

Report Period Sep_10

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project ID: 690100000000022 **Project Name:** IV-E Subsidized Adopt Paymnts **Project Category:** Health and Human Services **Sub Class:** 860W4

Project Abstract: Children who are available for adoption through the Child and Family Services Division of the Montana Department of Public Health and Human Services have been removed from their own families because of abuse and neglect, or abandonment, and cannot safely remain at home. The rights of their parents have been terminated making the children available for adoption. Subsidies may be negotiated to help maintain the permanency of the adoption. ARRA funding will result in a higher federal contribution for these services.

Project ID: 690100000000005 **Project Name:** Supp Nutrition Asst Program **Project Category:** Health and Human Services **Sub Class:** 855WF

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: This request for applications (RFA) is intended to develop a list of potential candidates (private schools and public school districts) interested in replacing their existing diesel-powered school buses with new ones under the MT-SBR Project. MT-DEQ will review and rank the applications in order to select those most appropriate for funding under the DERA guidelines. A new school bus with fuel-operated heaters and safety equipment meeting EPA's2007 or 2010 emissions control standards is estimated to cost from $50,000 to $100,000 without

Project ID: 5706000020 **Project Name:** CSKT Upper Jocko S Lining **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: The Confederated Salish and Kootenai Tribes are improving irrigation infrastructure to decrease seepage to adjacent property, conserve water resources, increase instream flows available to the threatened bull trout, and increase crop yields. The irrigation system infrastructure was completed before 1940 and has deteriorated over time. The irrigation canals leak, resulting in less water available for instream flows and irrigation. The tribes will install Pond-Gard liner for 4,000 feet of the Jocko Upper S-1 Canal Reach.

Project ID: 5706000030 **Project Name:** FJBC Jocko K Canal Lining **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: The Flathead Joint Board of Control (FJBC) is headquartered in St. Ignatius in Flathead County. The Jocko K Canal is part of an irrigation project serving 134,788 acres, with approximately 6,000 acres served by the Jocko K Canal. The project will line 4,000 feet of the Jocko K Canal with a Pond-Gard geomembrane liner. This will significantly reduce seepage, improve canal bank stability, and save about 3,600 acre-feet of water annually which will be used to provide additional instream flow for bull trout restoration

Project Abstract: The Jette Meadows Water and Sewer District is about five miles northwest of Polson and east of U.S. Highway 93 in Lake County. The existing water supply and distribution system serves 120 residential users. This project includes construction of a new 250,000-gallon above-ground storage tank, a transmission main to connect the new tank to the distribution system, an upsized main from the tank transmission main tie-in to the location of a proposed fire station, fire hydrants along the upsized main, and looping of dead-end mains in three critical areas of the distribution system.

Project Abstract: Lake County has identified the need for more accurate data to improve flood hazard mapping, identify steep slopes and environmentally sensitive areas, and better protect and restore riparian buffer areas. This project would use LiDAR technology to obtain two-foot contour elevation data for portions of the Flathead Basin, specifically Flathead and Swan lakes. The proposed project area includes 100 square miles of Lake County, primarily Flathead Lake shoreline, Flathead River, Swan Lake shoreline, the Swan River, the city of Polson, and smaller town sites.

Project Abstract: The ARRA provides a one time appropriation of $100 million nationally for equipment assistance to school food authorities (SFAs) participating in the National School Lunch Program (NSLP). Competitive awards are intended to help SFAs purchase, renovate, or replace equipment used in the National School Lunch Program. As required by the program, priority was given for SFAs having at least 50% of students eligible for free or reduced-priced meals. Montana's allocation is $225,000.

Public Health and Human Services

Report Period Sep_10

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project ID: 690100000000003 **Project Name:** Comm Services Block Grant **Project Category:** Health and Human Services **Sub Class:** 855WB

Project Abstract: These funds will be used by local communities to support employment, food, housing and healthcare efforts. CSBG funds are utilized by the state's ten (10) Human Resource Development Councils (HRDCs) to provide projects and services in local communities including: child care, education and job training, provision of food, weatherization and energy assistance, and resource and referral services. The program assists approximately 35,000 households annually. ARRA funding will allow the HRDC network to expand existing activities and provide services for up to 15,000 additional households.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: The Helena Valley Irrigation District (HVID) is between the Missouri River and the City of Helena and consists of about 17,000 irrigated acres serving 120 farms and ranches. The HVID Helena Valley Unit also supplies some drinking water to Helena. The HVID has 64.8 miles of canals and laterals; 12.9 miles have been lined or put into pipe. This project is part of an ongoing effort to improve the HVID's delivery efficiency in the irrigation system by installing a Pond-Gard liner through a 2,640-foot section of canal.

Project Abstract: Spring Meadow Lake State Park is an urban (Helena) state park with 85,000 visitors annually. The park is adjacent to the Montana Wildlife Shelter. Both the park and the shelter are contaminated with lead and arsenic, residuals from milling and tailings disposal during the World War I era. The Spring Meadow Lake Reclamation Project would remove these hazardous substances and transport them to the Luttrell Pit Repository. They will be encapsulated with wastes removed from mining sites in the Basin Creek and Tenmile Creek National Priorities List Superfund sites.

Project ID: 5706000056 **Project Name:** Wolf Creek WW System **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: The Wolf Creek County Water and Sewer District is along Interstate 15 about 35 miles north of Helena. The area has no community water and sewer systems so each building is served by a private well and septic system. The water and sewer district will install a new gravity sewer collection system with one lift station, a moving bed bioreactor (MBBR) treatment facility, wastewater disinfection using ultraviolet (UV) light, and a direct discharge to Little Prickly Pear Creek. Existing private septic systems will be abandoned and district customers will be required to connect to the new system.

Project Abstract: The American Recovery and Reinvestment Act of 2009 (ARRA) provides $10 B nationally in additional FY 2009 Title I, Pt A funds for schools that have high concentrations of students from families that live in poverty in order to help improve teaching and learning for students most at risk of failing to meet state academic achievement standards. The funds create an unprecedented opportunity for educators to implement innovative strategies in Title I schools that improve education for at-risk students and close achievement gaps while stimulating the economy. Montana's allocation $34.65 M.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Report Period Sep_10

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: The ARRA provides a one time appropriation of $100 million nationally for equipment assistance to school food authorities (SFAs) participating in the National School Lunch Program (NSLP). Competitive awards are intended to help SFAs purchase, renovate, or replace equipment used in the National School Lunch Program. As required by the program, priority was given for SFAs having at least 50% of students eligible for free or reduced-priced meals. Montana's allocation is $225,000.

Project Abstract: These funds will be used by local communities to support employment, food, housing and healthcare efforts. CSBG funds are utilized by the state's ten (10) Human Resource Development Councils (HRDCs) to provide projects and services in local communities including: child care, education and job training, provision of food, weatherization and energy assistance, and resource and referral services. The program assists approximately 35,000 households annually. ARRA funding will allow the HRDC network to expand existing activities and provide services for up to 15,000 additional households.

SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: This request for applications (RFA) is intended to develop a list of potential candidates (private schools and public school districts) interested in replacing their existing diesel-powered school buses with new ones under the MT-SBR Project. MT-DEQ will review and rank the applications in order to select those most appropriate for funding under the DERA guidelines. A new school bus with fuel-operated heaters and safety equipment meeting EPA's2007 or 2010 emissions control standards is estimated to cost from $50,000 to $100,000 without

Project ID: 5706000026 **Project Name:** Martinsdale Res. Drain **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: Martinsdale Reservoir is 2.5 miles southeast of Martinsdale. The Martinsdale North Dam has experienced seepage in the abutments since it was constructed. This project will reconstruct the toe drains, add manholes, and redirect the horizontal drain system outfall to allow accurate and safe measurements of flow and sedimentation rates. This will improve seepage collection and facilitate the measurement of drainage flow rates and sedimentation transport volumes from within the dam.

Project Abstract: Because of recent increases in wastewater flows and high levels of sewer infiltration and inflow, Virginia City's wastewater system storage cell is at capacity and can no longer store treated effluent through an entire winter. An engineering study determined that about 14,400 gallons per day of sewer infiltration can be removed by replacing certain aging sewer mains, thus removing significant burden on the storage cells.This project will replace 3,600 linear feet of eight-inch sewer main and implement spot repairs where needed.

Report Period Sep_10

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project ID: 690100000000030 **Project Name:** Food for Food Banks **Project Category:** Health and Human Services **Sub Class:** 855W2

Project Abstract: These funds will be used to support the needs of food banks throughout the state and could potentially purchase 300,000 to 500,000 pounds of food. Food pantries throughout Montana have experienced increased demands by the growing numbers of low income families needing food bank assistance. This funding is intended to purchase additional food items to meet the need to have food on the pantry shelves for those that need it.

Project Abstract: Children who are available for adoption through the Child and Family Services Division of the Montana Department of Public Health and Human Services have been removed from their own families because of abuse and neglect, or abandonment, and cannot safely remain at home. The rights of their parents have been terminated making the children available for adoption. Subsidies may be negotiated to help maintain the permanency of the adoption. ARRA funding will result in a higher federal contribution for these services.

Project ID: 690100000000005 **Project Name:** Supp Nutrition Asst Program **Project Category:** Health and Human Services **Sub Class:** 855WF

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: The American Recovery and Reinvestment Act of 2009 (ARRA) provides $10 B nationally in additional FY 2009 Title I, Pt A funds for schools that have high concentrations of students from families that live in poverty in order to help improve teaching and learning for students most at risk of failing to meet state academic achievement standards. The funds create an unprecedented opportunity for educators to implement innovative strategies in Title I schools that improve education for at-risk students and close achievement gaps while stimulating the economy. Montana's allocation $34.65 M.

Project ID: 690100000000005 **Project Name:** Supp Nutrition Asst Program **Project Category:** Health and Human Services **Sub Class:** 855WF

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: The Lewis and Clark Trailer Park was constructed in 1976 and includes 41 single-family homes. Missoula County assumed responsibility for the Lewis and Clark Subdivision in 1994. To eliminate the system leaks and resolve the system layout problems, Missoula County intends to replace the existing water distribution system, and install individual water meters and meter boxes at each residence. This will allow operations staff to monitor individual water usage to help avoid future significant water loss problems.

Project Abstract: The St. Louis Mine Reclamation project is a partnership between Missoula County, Trout Unlimited, and U.S. Forest Service. The project goals are to protect water quality in St. Louis Creek from potentially leaching heavy metals; and improve fisheries in St. Louis Creek and attain naturally functioning stream processes. The project includes removal of waste rock, and stream restoration along 2,500 feet of the East Fork St. Louis Creek and St. Louis Creek. The project proposes to remove 30,000 cubic yards of waste rock.

Project ID: 350100000012 **Project Name:** ARRA Title I Part A **Project Category:** Education **Sub Class:** 160W2

Project Abstract: The American Recovery and Reinvestment Act of 2009 (ARRA) provides $10 B nationally in additional FY 2009 Title I, Pt A funds for schools that have high concentrations of students from families that live in poverty in order to help improve teaching and learning for students most at risk of failing to meet state academic achievement standards. The funds create an unprecedented opportunity for educators to implement innovative strategies in Title I schools that improve education for at-risk students and close achievement gaps while stimulating the economy. Montana's allocation $34.65 M.

Project Abstract: The ARRA provides a one time appropriation of $100 million nationally for equipment assistance to school food authorities (SFAs) participating in the National School Lunch Program (NSLP). Competitive awards are intended to help SFAs purchase, renovate, or replace equipment used in the National School Lunch Program. As required by the program, priority was given for SFAs having at least 50% of students eligible for free or reduced-priced meals. Montana's allocation is $225,000.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 5301EDERA000001 **Project Name:** DERA - Clean Diesel Grant **Project Category:** Energy and Weatherization **Sub Class:** 420W4

Project Abstract: This request for applications (RFA) is intended to develop a list of potential candidates (private schools and public school districts) interested in replacing their existing diesel-powered school buses with new ones under the MT-SBR Project. MT-DEQ will review and rank the applications in order to select those most appropriate for funding under the DERA guidelines. A new school bus with fuel-operated heaters and safety equipment meeting EPA's2007 or 2010 emissions control standards is estimated to cost from $50,000 to $100,000 without

Project ID: 5706000041 **Project Name:** Lost Horse Crk Siphon Rehab **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: The Delphia Melstone Canal Water Users Association (DMCWUA) is serviced by three canals. The Lost Horse Creek Siphon pulls water from the south-side canal and loses about 5,400 acre-feet per year of water through leakage which results in 50% reduced crop yield over 2,700 acres. The Lower Musselshell Conservation District, near the towns of Musselshell and Melstone, will rehabilitate 450 feet of the Lost Horse Creek Siphon Pipeline in the main irrigation canal

Project Abstract: The Child and Family Services Division is mandated by both state and federal laws to provide protective services to children who are abused, neglected, or abandoned. This includes receiving and investigating reports of child abuse and neglect and helping families stay together or reunite, and finding placements in foster or kinship homes. ARRA funding will result in a higher federal contribution for these services.

Project ID: 690100000000005 **Project Name:** Supp Nutrition Asst Program **Project Category:** Health and Human Services **Sub Class:** 855WF

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: This request for applications (RFA) is intended to develop a list of potential candidates (private schools and public school districts) interested in replacing their existing diesel-powered school buses with new ones under the MT-SBR Project. MT-DEQ will review and rank the applications in order to select those most appropriate for funding under the DERA guidelines. A new school bus with fuel-operated heaters and safety equipment meeting EPA's2007 or 2010 emissions control standards is estimated to cost from $50,000 to $100,000 without

Project Abstract: The ARRA provides a one time appropriation of $100 million nationally for equipment assistance to school food authorities (SFAs) participating in the National School Lunch Program (NSLP). Competitive awards are intended to help SFAs purchase, renovate, or replace equipment used in the National School Lunch Program. As required by the program, priority was given for SFAs having at least 50% of students eligible for free or reduced-priced meals. Montana's allocation is $225,000.

Public Health and Human Services

Report Period Sep_10

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project ID: 690100000000030 **Project Name:** Food for Food Banks **Project Category:** Health and Human Services **Sub Class:** 855W2

Project Abstract: These funds will be used to support the needs of food banks throughout the state and could potentially purchase 300,000 to 500,000 pounds of food. Food pantries throughout Montana have experienced increased demands by the growing numbers of low income families needing food bank assistance. This funding is intended to purchase additional food items to meet the need to have food on the pantry shelves for those that need it.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Public Health and Human Services

Report Period Sep_10

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Report Period Sep_10

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project ID: 690100000000003 **Project Name:** Comm Services Block Grant **Project Category:** Health and Human Services **Sub Class:** 855WB

Project Abstract: These funds will be used by local communities to support employment, food, housing and healthcare efforts. CSBG funds are utilized by the state's ten (10) Human Resource Development Councils (HRDCs) to provide projects and services in local communities including: child care, education and job training, provision of food, weatherization and energy assistance, and resource and referral services. The program assists approximately 35,000 households annually. ARRA funding will allow the HRDC network to expand existing activities and provide services for up to 15,000 additional households.

Project ID: 690100000000030 **Project Name:** Food for Food Banks **Project Category:** Health and Human Services **Sub Class:** 855W2

Project Abstract: These funds will be used to support the needs of food banks throughout the state and could potentially purchase 300,000 to 500,000 pounds of food. Food pantries throughout Montana have experienced increased demands by the growing numbers of low income families needing food bank assistance. This funding is intended to purchase additional food items to meet the need to have food on the pantry shelves for those that need it.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 350100000001 **Project Name:** Schl Nutrition Equip Grants **Project Category:** Education **Sub Class:** 160W1

Project Abstract: The ARRA provides a one time appropriation of $100 million nationally for equipment assistance to school food authorities (SFAs) participating in the National School Lunch Program (NSLP). Competitive awards are intended to help SFAs purchase, renovate, or replace equipment used in the National School Lunch Program. As required by the program, priority was given for SFAs having at least 50% of students eligible for free or reduced-priced meals. Montana's allocation is $225,000.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 5706000025 **Project Name:** Deadman's Basin Outlet **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: Deadman's Basin Dam is a high-hazard, state-owned dam in Wheatland County nine miles west of Ryegate. Constructed in 1941, the dam has aged and is experiencing seepage at its downstream toe. Erosion around the outlet conduit exists as the result of this seepage, thus presenting the potential for piping and a possible breach. This project will include removal of existing outlet structure; extension of the existing outlet conduit with a new drain system; construction of a new energy-dissipating outlet structure; construction of a stabilizing toe berm; and regrading of the embankment

Public Health and Human Services

Report Period Sep_10

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project ID: 690100000000003 **Project Name:** Comm Services Block Grant **Project Category:** Health and Human Services **Sub Class:** 855WB

Project Abstract: These funds will be used by local communities to support employment, food, housing and healthcare efforts. CSBG funds are utilized by the state's ten (10) Human Resource Development Councils (HRDCs) to provide projects and services in local communities including: child care, education and job training, provision of food, weatherization and energy assistance, and resource and referral services. The program assists approximately 35,000 households annually. ARRA funding will allow the HRDC network to expand existing activities and provide services for up to 15,000 additional households.

Project ID: 690100000000030 **Project Name:** Food for Food Banks **Project Category:** Health and Human Services **Sub Class:** 855W2

Project Abstract: These funds will be used to support the needs of food banks throughout the state and could potentially purchase 300,000 to 500,000 pounds of food. Food pantries throughout Montana have experienced increased demands by the growing numbers of low income families needing food bank assistance. This funding is intended to purchase additional food items to meet the need to have food on the pantry shelves for those that need it.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: Buffalo Rapids Irrigation District II is in eastern Montana, beginning at Fallon and terminating in Glendive. District 1 serves 16,170.91 irrigated acres. This project replaces two laterals, 2.9 and 7.6 and their conversion to pipeline. Lateral 2.9 delivers water to 887 acres while 7.6 supplies 423 acres. Five pipelines will replace lateral 2.9, while 3 pipelines will replace lateral 7.6. This grant will supplement funding by NRCS. This project will conserve 199 acre-feet/year of water and will replace the constant head orifice meters with McCrometer water meters on all new pipelines.

Project ID: 690100000000021 **Project Name:** IV-E Foster Care Reimb **Project Category:** Health and Human Services **Sub Class:** 860W5

Project Abstract: The Child and Family Services Division is mandated by both state and federal laws to provide protective services to children who are abused, neglected, or abandoned. This includes receiving and investigating reports of child abuse and neglect and helping families stay together or reunite, and finding placements in foster or kinship homes. ARRA funding will result in a higher federal contribution for these services.

Project ID: 690100000000005 **Project Name:** Supp Nutrition Asst Program **Project Category:** Health and Human Services **Sub Class:** 855WF

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 5301FYLASH00001 **Project Name:** Como Lake Fly Ash Boat Ramps **Project Category:** Water and Environment **Sub Class:** 420DF

Project Abstract: The Bitterroot National Forest desires to expand the boat ramp facility at Lake Como High Impact Recreation Area (HIRA) located approximately 5 miles north of Darby, Montana. In an effort to pursue environmentally friendly product use, the Bitterroot National Forest approved ARRA grant funding to MT DEQ ($165,328) to research, design, and place the new boat ramp using concrete utilizing 100% flyash rather than traditional cement concrete. This project will provide the opportunity to demonstrate that a 100% fly ash concrete can be used in a wet, freeze/thaw environment.

Project Abstract: This request for applications (RFA) is intended to develop a list of potential candidates (private schools and public school districts) interested in replacing their existing diesel-powered school buses with new ones under the MT-SBR Project. MT-DEQ will review and rank the applications in order to select those most appropriate for funding under the DERA guidelines. A new school bus with fuel-operated heaters and safety equipment meeting EPA's2007 or 2010 emissions control standards is estimated to cost from $50,000 to $100,000 without

Project ID: 5706000016 **Project Name:** Bitter Root ID Siphon **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: Bitter Root Irrigation District (BRID) in Ravalli County, provides irrigation water to approximately 1,350 irrigators on 16,665 acres along a canal system approximately 72 miles long on the east side of the Bitterroot Valley. The proposed project addresses repair of 812 linear feet of Siphon 1, constructed in 1909, and used to transport almost all of BRID's irrigation water. The proposal also includes final design and construction for repair or replacement of the entire 5,654 foot siphon.

Project Abstract: The Daly Ditches Irrigation District (DDID) is near Hamilton in Ravalli County. The Hedge Diversion Dam and canal were constructed about 1908. The canal has a capacity of about 140 cfs, is about 23 miles long, and serves about 5,993 acres with 700 farms, ranches, or households. The Hedge Canal Diversion Dam is significantly past its design life of 60 to 75 years. This project (Phase 1) will reconstruct the diversion dam and abutments. Loss of the diversion dam would result in the loss of water for about 40% of the DDID water users.

Project Abstract: Ravalli County has experienced a 10.7% population growth from 2000 to 2005. Increased growth highlights a need to protect the county's water resources. To support the fair administration of county planning and permitting, accurate elevation and floodplain data are needed. Ravalli County will use Light Detection and Ranging (LiDAR) technology to obtain digitally formatted two-foot elevation contour interval data. The acquisition of LiDAR data is less expensive than traditional ground surveying and requires less investment and better accuracy than radar mapping.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 5706000047 **Project Name:** Richland County CD GE Study **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: Richland County Conservation District will establish a well-monitoring network in the study area from which periodic water levels will be collected. Information will be used to develop groundwater flow maps. Additional areas will be tested using existing and newly constructed wells to map buried channel aquifers. A final report will provide estimates of total volume of water available and water quality for development associated with potential management areas. This effort is a continuation of an existing study.

SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: The ARRA provides a one time appropriation of $100 million nationally for equipment assistance to school food authorities (SFAs) participating in the National School Lunch Program (NSLP). Competitive awards are intended to help SFAs purchase, renovate, or replace equipment used in the National School Lunch Program. As required by the program, priority was given for SFAs having at least 50% of students eligible for free or reduced-priced meals. Montana's allocation is $225,000.

Public Health and Human Services

Report Period Sep_10

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: The American Recovery and Reinvestment Act of 2009 (ARRA) provides $10 B nationally in additional FY 2009 Title I, Pt A funds for schools that have high concentrations of students from families that live in poverty in order to help improve teaching and learning for students most at risk of failing to meet state academic achievement standards. The funds create an unprecedented opportunity for educators to implement innovative strategies in Title I schools that improve education for at-risk students and close achievement gaps while stimulating the economy. Montana's allocation $34.65 M.

Public Health and Human Services

Report Period Sep_10

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project ID: 690100000000030 **Project Name:** Food for Food Banks **Project Category:** Health and Human Services **Sub Class:** 855W2

Project Abstract: These funds will be used to support the needs of food banks throughout the state and could potentially purchase 300,000 to 500,000 pounds of food. Food pantries throughout Montana have experienced increased demands by the growing numbers of low income families needing food bank assistance. This funding is intended to purchase additional food items to meet the need to have food on the pantry shelves for those that need it.

Project ID: 690100000000005 **Project Name:** Supp Nutrition Asst Program **Project Category:** Health and Human Services **Sub Class:** 855WF

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: The ARRA provides a one time appropriation of $100 million nationally for equipment assistance to school food authorities (SFAs) participating in the National School Lunch Program (NSLP). Competitive awards are intended to help SFAs purchase, renovate, or replace equipment used in the National School Lunch Program. As required by the program, priority was given for SFAs having at least 50% of students eligible for free or reduced-priced meals. Montana's allocation is $225,000.

Public Health and Human Services

Report Period Sep_10

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project ID: 690100000000021 **Project Name:** IV-E Foster Care Reimb **Project Category:** Health and Human Services **Sub Class:** 860W5

Project Abstract: The Child and Family Services Division is mandated by both state and federal laws to provide protective services to children who are abused, neglected, or abandoned. This includes receiving and investigating reports of child abuse and neglect and helping families stay together or reunite, and finding placements in foster or kinship homes. ARRA funding will result in a higher federal contribution for these services.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: This request for applications (RFA) is intended to develop a list of potential candidates (private schools and public school districts) interested in replacing their existing diesel-powered school buses with new ones under the MT-SBR Project. MT-DEQ will review and rank the applications in order to select those most appropriate for funding under the DERA guidelines. A new school bus with fuel-operated heaters and safety equipment meeting EPA's2007 or 2010 emissions control standards is estimated to cost from $50,000 to $100,000 without

Project ID: 690100000000020 **Project Name:** Med Caseload & Prov Rates **Project Category:** Health and Human Services **Sub Class:** 892W2

Project Abstract: These funds are for the anticipated increase in Medicaid caseloads as a result of the economic downturn. The increased funds for Medicaid will be administered from a department-wide perspective to maintain the current level of services. Medicaid is a joint federal & state government program that pays for medical care for some low-income & medically needy people. The Department of Public Health & Human Services (DPHHS) runs the Medicaid program in Montana. Medicaid's mission is to assure that necessary medical care is available to all eligible Montanans within available funding resources.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 5706000050 **Project Name:** Yellowstone Greycliff Study **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: Sweet Grass County will manage a study designed to conserve cropland pasture and wildlife habitat along the Yellowstone River near the town of Greycliff. The study will gather enough information and public support for permit applications to implement the project in 2010. Specific tasks for this project are - compile existing data, host public meetings, design a project that will significantly reduce or eliminate erosion for flow rates up to the 100-year flood stage; and begin the permit process using the compiled data and public comment.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Report Period Sep_10

Project ID: 5706000028 **Project Name:** Dutton WW System **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: In 2007, the town of Dutton completed a wastewater engineering evaluation that recommended capital improvements. The project is to construct a new pump station, new facultative lagoons for wastewater treatment with spray irrigation disposal, and storage of wastewater during the nonirrigation season. The treated wastewater will be beneficially reused for spray irrigation of adjacent cropland. The existing primary lagoon will be rehabilitated to meet current standards.

Project Abstract: The ARRA provides a one time appropriation of $100 million nationally for equipment assistance to school food authorities (SFAs) participating in the National School Lunch Program (NSLP). Competitive awards are intended to help SFAs purchase, renovate, or replace equipment used in the National School Lunch Program. As required by the program, priority was given for SFAs having at least 50% of students eligible for free or reduced-priced meals. Montana's allocation is $225,000.

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: This project will cleanup petroleum-contaminated soil at the abandoned Shelby Refinery in Toole County, in the corporate city limits of Shelby. The Petroleum Refining Company was built in 1940 to refine crude oil from the nearby Kevin-Sunburst oil field northwest of Shelby. Environmental samples from the site reveal elevated concentrations of petroleum hydrocarbons in soil at an average thickness of 7.5 feet. The affected area covers approximately 30,000 square feet. Total estimated volume of contaminated soils is 8,333 cubic yards.

Project Abstract: Shelby's wastewater collection system is aged. About 47% of the system consists of vitrified clay pipe installed between 50 and 90 years ago. Flow monitoring in March 2008 indicated that 240,000 gallons per day of the current wastewater flow can be attributed to groundwater inflow to the trunk main sewer. Shelby will replace 7,565 feet VCP pipe with pvc and rehabilitate existing VCP pipe with Cured in Place Pipe

Public Health and Human Services

Report Period Sep_10

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000030 **Project Name:** Food for Food Banks **Project Category:** Health and Human Services **Sub Class:** 855W2

Project Abstract: These funds will be used to support the needs of food banks throughout the state and could potentially purchase 300,000 to 500,000 pounds of food. Food pantries throughout Montana have experienced increased demands by the growing numbers of low income families needing food bank assistance. This funding is intended to purchase additional food items to meet the need to have food on the pantry shelves for those that need it.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: The American Recovery and Reinvestment Act of 2009 (ARRA) provides $10 B nationally in additional FY 2009 Title I, Pt A funds for schools that have high concentrations of students from families that live in poverty in order to help improve teaching and learning for students most at risk of failing to meet state academic achievement standards. The funds create an unprecedented opportunity for educators to implement innovative strategies in Title I schools that improve education for at-risk students and close achievement gaps while stimulating the economy. Montana's allocation $34.65 M.

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project Abstract: These funds will be used by local communities to support employment, food, housing and healthcare efforts. CSBG funds are utilized by the state's ten (10) Human Resource Development Councils (HRDCs) to provide projects and services in local communities including: child care, education and job training, provision of food, weatherization and energy assistance, and resource and referral services. The program assists approximately 35,000 households annually. ARRA funding will allow the HRDC network to expand existing activities and provide services for up to 15,000 additional households.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 5706000036 **Project Name:** Judith Gap Wtr and WW System **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: This project includes improvements to both the water and sewer systems of Judith Gap, a community of about 145 people in central Montana. This project is in response to a DOT requirement that all water and sewer mains be upgraded to a minimum 20-year operating lifespan before reconstruction of highway through a community. The highway project is scheduled for 2010; all water and sewer improvements within the highway right-of-way must be accomplished before this date. The project includes replacement of water and sewer mains in the highway right-of-way through Judith Gap.

Project ID: 5706000027 **Project Name:** Nevada Creek Canal **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: Nevada Creek Dam is a high-hazard, state-owned dam in Powell County east of Helmville, MT. Constructed in 1938, the dam has undergone recent upgrades and improvements and is structurally sound. The dam is 105 feet high and 1,083 feet long. At normal full pool, the reservoir storage is 11,152 acre-feet. The dam has two associated canals, the North Canal and the Douglas Canal. The delivery canals are in poor condition. This project includes canal lining and the construction of two drop structures.

Project Abstract: Ruby Dam is on the Ruby River about six miles south of Alder, in Madison County. The dam and system of conveyance canals associated with it are owned by the DNRC and operated and maintained by the Ruby River Water Users. Increased storage is required to offset the effects of sedimentation that have taken place since the dam was constructed. This project will replace the concrete spillway, raising the spillway crest seven feet. This project would increase the storage capacity of Ruby Reservoir from 41,450 acre-feet to 45,155 acre-feet, an increase of 8.9%.

Project ID: 690100000000003 **Project Name:** Comm Services Block Grant **Project Category:** Health and Human Services **Sub Class:** 855WB

Project Abstract: These funds will be used by local communities to support employment, food, housing and healthcare efforts. CSBG funds are utilized by the state's ten (10) Human Resource Development Councils (HRDCs) to provide projects and services in local communities including: child care, education and job training, provision of food, weatherization and energy assistance, and resource and referral services. The program assists approximately 35,000 households annually. ARRA funding will allow the HRDC network to expand existing activities and provide services for up to 15,000 additional households.

Project ID: 690100000000030 **Project Name:** Food for Food Banks **Project Category:** Health and Human Services **Sub Class:** 855W2

Project Abstract: These funds will be used to support the needs of food banks throughout the state and could potentially purchase 300,000 to 500,000 pounds of food. Food pantries throughout Montana have experienced increased demands by the growing numbers of low income families needing food bank assistance. This funding is intended to purchase additional food items to meet the need to have food on the pantry shelves for those that need it.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 690100000000003 **Project Name:** Comm Services Block Grant **Project Category:** Health and Human Services **Sub Class:** 855WB

Project Abstract: These funds will be used by local communities to support employment, food, housing and healthcare efforts. CSBG funds are utilized by the state's ten (10) Human Resource Development Councils (HRDCs) to provide projects and services in local communities including: child care, education and job training, provision of food, weatherization and energy assistance, and resource and referral services. The program assists approximately 35,000 households annually. ARRA funding will allow the HRDC network to expand existing activities and provide services for up to 15,000 additional households.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: The ARRA provides a one time appropriation of $100 million nationally for equipment assistance to school food authorities (SFAs) participating in the National School Lunch Program (NSLP). Competitive awards are intended to help SFAs purchase, renovate, or replace equipment used in the National School Lunch Program. As required by the program, priority was given for SFAs having at least 50% of students eligible for free or reduced-priced meals. Montana's allocation is $225,000.

Project ID: 690100000000030 **Project Name:** Food for Food Banks **Project Category:** Health and Human Services **Sub Class:** 855W2

Project Abstract: These funds will be used to support the needs of food banks throughout the state and could potentially purchase 300,000 to 500,000 pounds of food. Food pantries throughout Montana have experienced increased demands by the growing numbers of low income families needing food bank assistance. This funding is intended to purchase additional food items to meet the need to have food on the pantry shelves for those that need it.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.
